WORLD SCOUTS:

- ❖ ARE GIRLS AND BOYS WHO ENJOY FOREIGN LANGUAGES AND WANT TO HELP PROMOTE INTERNATIONAL UNDERSTANDING
- ❖ LEARN BASIC EXPRESSIONS IN SEVERAL LANGUAGES
- ❖ USE THE INTERNATIONAL LANGUAGE ESPERANTO TO COMMUNICATE WITH SCOUTS AROUND THE WORLD
- ❖ ARE LIFE-LONG LEARNERS WHO VALUE ACADEMIC EXCELLENCE

The Scout Movement is an excellent medium through which fellow scouts in different parts of the world can contact one another. In scouting they can exchange experiences and ideas, and build friendships and understanding. The more Scouts are in touch with each other, the more they know about each other's activities and challenges in these fields, the more they will be able to bring about the kind of society and world we all hope to see benefiting all mankind.
